DOUBT EXPRESSED AS TO THE EXISTENCE OF DIANA SHOAL.

Lieutenant S. C. Paine of the United States steamship Iroquois has reported to the Hydrographic Office that on July 21, 1891, being in latitude 8° 40' north, longitude 157° 27' 30" west, the ship was run fourteen miles east (true) and then put about and run six and a tenth miles west (true), twice passing in the immediate vicinity of the charted position of Diana shoal (latitude 8° 40' north, longitude 157° 20' west). The vessel was frequently stopped and soundings taken to 200 fathoms, but no bottom was found. Three good lookouts were kept and no indication of shoal water was seen from aloft. The weather during a portion of the afternoon was overcast and rainy, but at all times breaking water should have been seen at least two miles from the ship.—[S. F. Call.

UNNECESSARY SUFFERING.

There is little doubt but that many persons suffer for years with ailments that could easily be cured by the use of some simple remedy. The following incident is an illustration of this fact: My wife was troubled with a pain in her side the greater part of the time for three years, until cured by Chamberlain's Pain Balm. It has, I think, permanently cured her. We also have used Chamberlain's Cough Remedy whenever needed and believe it to be the best in the world. P. M. Boston, Pennville, Sullivan Co., Missouri. For sale by all dealers. Benson, Smith & Co., agents.

Matting is washed with salt and cold water and carefully dried. Rub the very dirty spots first with water and cornmeal. If white matting has turned to a bad color it can be washed over with a weak solution of soda, which will turn it to a pale butter-yellow. Use a pint of salt to a gallon of water. Use flannel cloth, not a brush.

IMPORTANT ANNOUNCEMENT.

Splendid Chance to Get Good Harness Cheap.

On account of extreme ill health and having to take a long vacation, I therefore have to sell out my large stock of ready-made harness at a sacrifice to keep my help busy while I am away.

I have nearly a hundred sets of harness in hand of all kinds, Genuine Rubber Trimmed, Imitation Rubber and Genuine Nickel, single and double; Cart, Heavy Draught, Concord and Plow Harness, also some Mexican Saddles, Hawaiian and California Trees.

With fourteen years' steady business in Honolulu, and with a steady increase each year, I feel sure that I have satisfied my customers.

I have no sewing machines and sell no factory work, but everything is made by well-paid labor, and all my work is stamped before leaving the shop.

I will now give to all my customers a large benefit through my misfortune of being sick.

The people of the other islands can write to me and receive the same benefit of reduction as those who come and select harness themselves. All my old customers have the benefit of the quarterly account, but with strangers cash is preferred.
